

Monet Bridge

Oil Pastel Drawings with Watercolors

Claude Monet

Born in 1840, he lived in France and his style of art is called Impressionism.

First paintings

Monet's early
paintings
were
seascapes.

Light & Color

His work also looked at how the color of objects in nature changes based on time of day.

Giverny

Later in his life he could afford a little farm which had lots of flowers, ponds, lily pads & japanese bridges.

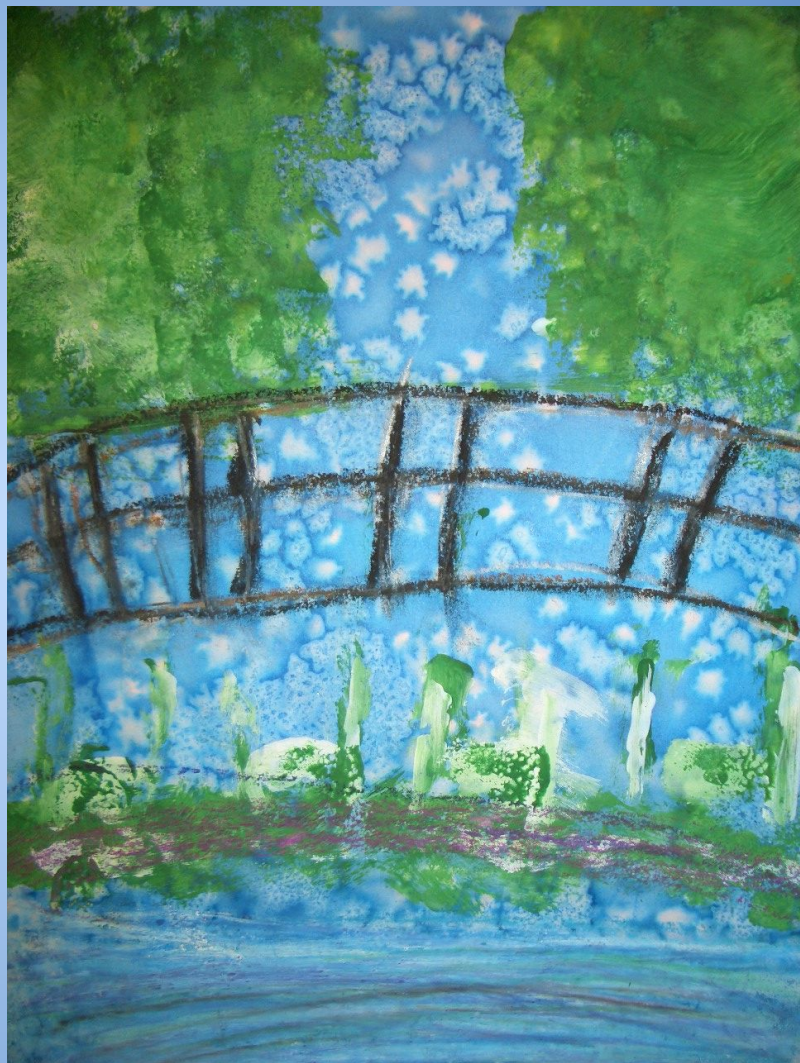

Our Project

Draw a Japanese Bridge with oil pastels and we will paint our impressionistic flowers over our drawings.
